PROFESSIONAL EXPERIENCE

Point Lume Coffee Bar / Graphic Designer

November 2025 - December 2025

- Designed a seasonal poster and menu system by developing a cohesive visual direction, selecting color and type combinations, and refining the hierarchy. This redesign improved overall customer clarity and ordering efficiency by approximately **30%**.
- Delivered print-ready assets and collaborated closely with the owner to fine-tune spacing, layout transitions, and copy placement to ensure consistent branding across all materials.

The Loop (Magazine) / Graphic Designer

November 2024 - February 2025

- Created visual content including reels and promotional designs that increased audience engagement. One reel reached **162k** views, and another received **79k** views, helping expand the publication's visibility.
- Strengthened typographic and visual consistency across layouts by developing grid systems, refining hierarchy, and producing cohesive assets for both print and digital platforms.
- Collaborated with the team through weekly meetings to align visual direction and review ongoing design work.

Monsterpalooza / Booth, Design Exhibition Assistant

June 2024

- At Monsterpalooza in Pasadena, supported the X-Plus Godzilla booth by guiding visitors through product features and assisting with display setup, ensuring clear and well-positioned presentations.
